We offer for sale a cosy duplex with magnificent views of the ocean and the neighbouring islands with a total area of 115 m2 of which 30 m2 are terraces.

The apartment is located on the second floor in a house without lift. The ground floor consists of a bright living room with panoramic ocean views, which has been extended with a pre-existing terrace, a separate kitchen, a bedroom with window to the street and a bathroom. As can be seen in the photos, the views from the living room are one of the highlights of this property.

The upper floor consists of a master bedroom with en suite bathroom, dressing room and a large terrace. On this floor a second bedroom was built, removing meters of terrace, the space is now distributed as a room with its own terrace, which has the same views as the living room: towards La Gomera and the ocean.

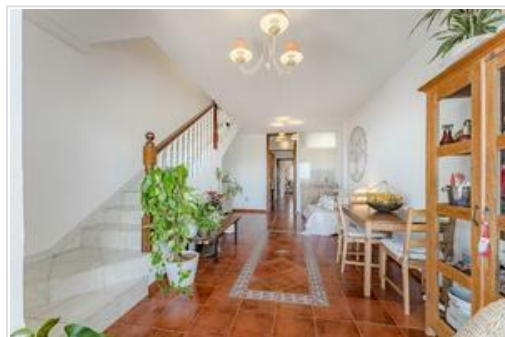

The property includes a parking space in the same building and a storage room. Sold partly furnished.
