Impressive ocean front villa, located in a quiet cul-de-sac in Acorán, Santa Cruz de Tenerife. A designer villa, built with top quality materials, almost entirely on one level. The modern façade blends into the large garden with palm trees, above a natural stone wall that surrounds it.

Nothing obstructs the view of the swimming pool or the gardens from the ground floor, where the living room, dining room, kitchen, 3 bedrooms with 2 bathrooms and a guest toilet are also located.

Upstairs is the master bedroom with en suite bathroom.

There is a laundry room, pantry and large basement with space for 3 parking spaces, as well as several rooms available for personalised use.

Top quality marble flooring, air conditioning, home automation and video surveillance.

Built in 2023.
