An exceptional investment opportunity in the south of Tenerife: a private, resort-style geriatric complex project with building licence in force.

This resort is designed to provide specialised care and attention to people over 55, focusing on active ageing and health, and offers a wide range of integrated services.

Outstanding features:

- Geriatric centre with 150 intensive care beds.
- Rehabilitation and therapy centre with therapeutic spa.
- Heated swimming pools, gym and spa for the well-being of residents.
- Numerous flats, bungalows and villas in small residential areas or on plots of up to 200 m², with a total of 1080 beds available.
- Large information centre with shopping centre.
- Agricultural farm as a means of therapy.
- Two restaurants, bars and cafés to satisfy the needs of the residents.
