The second part of the property has another fully fitted kitchen, two bedrooms, a recently renovated bathroom and a living and dining room. The house has its own independent access and can be rented out legally, giving the inhabitants of the main house peace and independence.

The large private terrace located in the secondary house has sun all day long, it is a paradise for relaxation. It has a barbecue area, jacuzzi, water mist shower for cooling off and a comfortable seating area. It is an ideal space to relax, drink local wine and soak up the sun. The second house is currently being rented out as a holiday home with good profitability, offering a lucrative extra income opportunity.
