Opportunity for lovers of nature, peace and tranquillity. We present this beautiful finca in Granadilla developed on a plot of 1.000 m2 with 120 m2 built, and registered, in which two houses are developed. The first one totally renovated with open plan kitchen, complete bathroom and a double bedroom, with a fresh and harmonious style. The second one is to be reformed, with great possibilities. The property also has its own water pond and a small pool to renovate, as well as a caravan with two beds, fridge, tv and an area with jacuzzi. Next to the second building there is a semi-covered kitchen with dining area, a place to share with family and friends in the open air.

The property is characterized by its landscaped areas, plants and trees, making this a magical environment, with spectacular sunsets and views. Only 5 minutes from the centre of Granadilla where you can find supermarkets, restaurants and all kind of services.

Property in high demand, arrange your visit.
