Exclusive 2 and 3-bedroom penthouses in Rokabella, one of the last exclusive beachfront developments in Costa Adeje.

Construction began in 2023; the first rows are fully finished and habitable, and full delivery is expected in 2025.

The luxurious penthouses feature spectacular views, spacious terraces with private pools, modern, fully equipped kitchens, 2 or 3 bedrooms with built-in wardrobes, 2 or 4 bathrooms, and private parking with storage rooms. In some cases, they have a constructed area of up to 615 m2.

A pleasant pedestrian promenade runs alongside the development to the beach club on the seafront and to tourist amenities.

The project is located on the edge of the picturesque village of Callao Salvaje, where a tranquil summer atmosphere reigns. Near the beach, you'll find small, cozy restaurants offering a wide variety of cuisine.

The development is very well connected to the main road of Costa Adeje and very close to a new golf course.

Rokabella is one of Tenerife's fastest-growing areas, with several luxury developments in recent years. It is located approximately 5 km from the golf course, 10 km from Tenerife's tourist areas, and 20 minutes from Tenerife South Airport. This makes this project an excellent investment opportunity.
