We present the sale of two rustic plots together, not divisible. The first one has 1.939 m2 of which 1.187 m2 is built and is occupied by a large water tank on the side of a ravine; a small part of this land is located on the ravine and is of natural protection, but it also has a large terrace with beautiful views to the ocean and the mountain, next to the tank. The second plot of 24.947 m2, is located mostly on a ravine (natural protection), but also has a flat terrace of approximately 1.000 m2.

Both plots have direct access to the asphalted road and a magnificent connection to the motorway, but without being too close. Only 10 minutes from Playa de Las Americas and Los Cristianos and 10 minutes from the ocean. The huge water tank offers exemplary possibilities. Asten Realty reference: 9029.
